

Licence agreement for the use of PEP2 equipment

This agreement is concluded by:

Le laboratoire de phonétique et phonologie (LPP), UMR 7018, located at 19, rue des Bernardins, 75005 Paris, represented by (the *LPP*)

And

(Hereafter the *user*).

1. The LPP gives the permission to the user to use the data obtained with its *plateforme instrumentale pour l'étude acoustique, articulatoire et physiologique de la parole* (PEP2) for research or clinical applications. Commercial applications are not permitted by the present contract.

Details of the experimental setup and the data :

2. The LPP is not responsible for any direct or indirect damage that could have been caused by the use of the equipment, data or programs provided to the user.

3. The user allows the LPP to put the data acquired by using its equipment on its database, as well as the speech material (corpus, tasks...), and to make it available to the scientific community after a delay of years from the date of acquisition.

4. The user will acknowledge the origin of the data in any publication as “data acquired at Laboratoire de Phonétique et Phonologie, UMR7018, Université Paris III/CNRS”. The user is also encouraged to continue his collaboration with an LPP member for data analysis and the publication of results.

Paris,

For the LPP
